WHAT IS JUMPINGCLAY?

JumpingClay is an educational tool. Clay is recognized as one of the most important plastic art skills, deeply contributing for the motor coordination of kids as well as their sense of form and size.

This particular and special clay promotes 3D artwork expression, including small details and a sense of unlimited colors which create amazing objects.

JumpingClay is the clay with more benefits - lighter, easy to work and open to unlimited colors and is a unique clay that is light, smooth and easy to handle. And it bounces! Children love it.

• It dries in the air. No need to bake it.
• Available in 9 colors - Mix them to create more.
• Non toxic and Jasmine scented.
• Mess free, clean. With antibacterial particles.
• Gluten Free. No Allergy.

AN UNIQUE CLAY .........................

• ORIGINAL BRAND AND PATENTED FORMULA
  JumpingClay is original from South Korea.

• MATERIAL
  JumpingClay is composed of non-toxic water dissolving materials, light and armless that have no effect on the human being even if ingested. It’s quite soft and Jasmin scented.

• COLORS
  The 9 basic colors of JumpingClay are very bright. As the colors mixed naturally and seamlessly, the is no limit for the colors that can be created.

• NATURAL DRY
  JumpingClay dries slowly when exposed to the air, just needing a ventilated space. After drying it keeps the same 3D form.

• ELASTICITY
  JumpingClay name comes from its elastic and jumping characteristic. When rolled into a ball it bounces.

• CONVENIENT
  Does not create residues or attaches to hands. Keeps the working space clean and easy to work. No glue is needed because the clay has a strong adhesive power within itself.

EDUCATIONAL EFFECTS ..................

• RELAXING
  Working with JumpingClay brings up a relaxed state of mind.

• CREATIVITY
  Boosts creativity through autonomous thinking and it’s practical application.

• INTELLIGENCE
  Creates notions of space and sizes.

• CONCENTRATION
  Enhance observation and concentration capabilities.

• ARTISTIC SKILLS
  Improves artistic skills.

• SELF-ESTEEM
  Enhances self-esteem by allowing the development and creation of one’s own ideas.

• DEVELOPMENT
  Contributes for increase curiosity, observation and independent thinking.

JumpingClay offers solutions with a high quality product with many advantages, colours, cleaning and safety.

It is an educational tool recognised as one of the most important artistic methods in children's education and upbringing. It makes it possible to work their artistic expression in 3D, manifesting details and using various colour combinations that enrich the presentation.

JumpingClay has a new Education through Art concept, where we unite the Magic of modelling clay with an educational concept that provides a fun learning.
